RE: Outdoor Recreation Infrastructure Scheme 2020 – Measure II Applications

To Whom it may concern,

On behalf of Coillte, I would like to confirm that I support the following proposals under the Outdoor Recreation Infrastructure Scheme 2020 Measure II. These works will significantly enhance the recreational value of the respective forest and the wider area.

1. Ballyhaise Amenity Park and Trail: This proposal connects the Coillte forest Oakwood to the town of Ballyhaise through the proposed path development. This is a high levels of biodiversity within, and there are plans to further link this site with the local agricultural college for education purposes.

Yours sincerely,

Conor English
